- + 32 more events

Equipment in Closet:

- A4+ WALL-MOUNT HUB:** A black wall-mounted device with a QR code and dual identification.
- WID330 BEACON:** A small, half-dollar-sized beacon attached to equipment.
- A4+ HUB:** A black wall-mounted device with a QR code and dual identification.

ARMOR Asset Central • Illustrative dashboard

Big equipment. Small equipment. One smarter closet.

1 MOUNT THE HUB

Add an A4+ wall-mounted hub to your closet.

2 ATTACH THE BEACONS

Attach a beacon to each item, large or small.

3 SEE WHAT COMES & GOES

View equipment presence and last-seen information through ARMOR Asset Central.
