

PROTECT YOUR **FOOD** AT HOME

Refrigerator & Freezer Temperature Monitoring.

See temperature trends for your kitchen refrigerator, garage fridge, or freezer.

- Temperature trends
- Observation history
- Last seen
- Beacon battery status

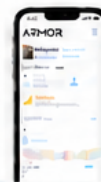

ONLY ONE HUB NEEDED
One hub reads multiple nearby beacons.

ARMOR A4+ HUB
Dedicated cellular hub for nearby beacons.

OR

ARMOR MOBILE APP
Your phone is the hub—with access and cloud storage.

Readings upload when a hub or phone is within Bluetooth range and connected.
